Integrated Telecom Solutions, Inc. Appoints Raul Rodriguez as Vice President of Sales

Richardson, Texas: Integrated Telecom Solutions, Inc. (ITS), a Richardson, Texas, USA based telecom solutions company, announces that Raul Rodriguez has been appointed as Vice President of Sales. The new appointment is expected to enhance the company's position as a global, telecom solutions provider.

Mr. Rodriguez comes to ITS with 25 years of industry experience. Prior to ITS, Mr. Rodriguez served as President of Convergys IMG-Latin America; he also served as VP of Sales-CALA, for Openwave. Mr. Rodriguez spent 16 years at Compaq/Tandem in several management positions, among them President of Tandem Computers do Brazil, Vice President of Marketing and Business Development and VP of Telco Product Development for Compaq's Telco Group. Mr. Rodriguez is credited with the penetration and success of Mobility Management solutions to the international markets for Compaq. Mr. Rodriguez holds a BSEE degree and a Master of Computer Communications degree from Monmouth University, Long Branch, New Jersey.

"Raul's tremendous depth and experience in formulating and executing major sales efforts for both large and small corporations and in building highly successful international teams makes him the ideal candidate to lead the market expansion of our business at ITS," said Arshad Syed, CEO of ITS. "Raul is an extraordinarily talented leader with excellent reputation and relationships with global fixed and wireless operators. I'm thrilled to have him join our team."

"I'm extremely pleased to be joining the company that is playing an attractive role in the areas of Convergence, IMS Enablement, and Network Evolution" said Raul Rodriguez. "ITS' technological innovation and growth trajectory, coupled with its leadership in

Value Added Solutions with unique value propositions and compelling return on investment models, make it uniquely positioned to win in the global marketplace. I'm fully committed to helping carriers and customers around the world to launch innovative and lucrative services, and to accelerating the company's success in the marketplace."

Integrated Telecom Solutions, Inc.
